FOR IMMEDIATE RELEASE

Lyman Brokers 100 Acres for a Solar Farm in Hampton

WESTBROOK, CT—Lyman Real Estate brokered the sale of a 99.69 acre parcel of land that will be used as a solar farm by new owners Ecos Energy LLC. CEO Ron Lyman, CCIM, who represented the sellers, said the lot on Route 6 and Fisk Road in Hampton recently closed for a sale price of \$315,000. The settlement agent was Nicholas R. Scola, LLC, and the attorney for the seller was Howard B. Schiller, Esq.

Ecos Energy, based in Minneapolis, is a renewable energy services company that develops and operates utility-scale solar projects throughout the U.S. In the last five years Ecos has developed more than 27 megawatts (MW) of solar photovoltaic (PV) projects for utilities. The company also has more than 30 MW of solar PV projects under contract in seven states. Ron Lyman commented, “It was great to be involved in a commercial land sale that’s bringing real renewable energy benefits to the state.”

Lyman Real Estate Brokerage & Development, headquartered in Westbrook, Connecticut, represents commercial and residential buyers, sellers, landlords and tenants. For more than 30 years, the firm has been providing a full range of commercial brokerage and development services, and has helped bring prominent national and regional companies into the area.
